## Hashtags

At the end of every social post simply add # and whichever group of words that most accurately describes what you are sharing. North Carolina will be using the following hashtags this week: **#NCGOPCLE**, **#GOPConvention** and **#RNCinCLE**. The first hashtag, **#NCGOPCLE**, will be used to by delegates, staffers, and press from North Carolina who wish to express their thoughts and share their activities. The second and third hashtags, **#GOPConvention** and **#RNCinCLE**, is going to be used by everyone attending or talking about the convention online. Try using all hashtags for the most coverage! It's always great to use **#NCpol** too — to connect with all of the North Carolina political talk!

## Apps

The GOP has launched their own app for convention! Download "RNC 2016" in your phone's app store to access the GOP's schedule, transportation, and other pertinent information.

## NCGOP Staff on Social Media

Along with our North Carolina delegation and press from North Carolina, the NCGOP staffers will also be sharing their experiences throughout this week. Listed below are the official NCGOP social media sites and the personal social media handles of the NCGOP staffers. Be sure to follow all of them to keep up with what's going on during the week! If you're lucky you may even be featured on the NCGOP sites!

# EXPECTATIONS

---

## For Planning Purposes

---

**Each night, the NCGOP communications team will be sending out at least two emails.**

The first one will be a **daily wrap up**, which will go to press and public alike. This email will have a detailed summary of what the North Carolina delegation accomplished and experienced that day. Highlights of the day's activities, pictures, and interviews will be included. This wrap up will also be posted on NCGOP's social media sites. We want to make sure everyone is able to stay up to date with what we have going on.

Every night we will also be sending out the known **schedule for the next day**. We will try to provide the press with an agenda that is as accurate as possible, though, please know there may be changes and if so, we will alert you accordingly. We would be delighted to have you attend any scheduled events that are open to the press. We hope to provide as many interview and coverage opportunities as possible, and many of these will probably take place as requested before or after the delegation gathers for group events. If you have a specific need, please contact Kami Mueller and Emily Weeks and they are happy to connect you with someone suitable for your story.

Each morning our delegation will gather at the Cleveland Marriott East Hotel for breakfast. In addition to breakfast, we will also have a featured speaker each morning. Most of these will be open to the press.

*Note - All information is subject to change. For further questions or concerns please contact Kami Mueller and Emily Weeks.*

## The North Carolina Delegation

*Understandably, every member of our delegation did not consent to our invitation to do interviews with the press. Those who **did** consent are in bold. They are also found by media market with a headshot for easy identification under the next section heading.*

[press@gopconvention2016.com](mailto:press@gopconvention2016.com)

### **GOP Convention Announces Satellite Interview Opportunities for Regional Television Affiliates**

**CLEVELAND, Ohio** – The 2016 Republican National Convention will provide regional television affiliates with around-the-clock access to satellite interviews with delegates, elected officials, and Convention surrogates live or live-to-tape during the week of the Convention (July 18-21, 2016).

GOP-TV is a television production run jointly by the Republican National Convention and the Republican National Committee to provide surrogate interviews to local TV affiliates, live or live-to-tape, via satellite. It will be provided free-of-charge to television stations. We will have a large Regional Press operation with specific staffers working with your television station to book interviews.

There will be multiple locations around the Convention complex to maximize local affiliates' access to interviews. The studios will be available Monday, July 18<sup>th</sup> through Thursday, July 21<sup>st</sup>, from 6 am – 12 am each day for live or live-to-tape interviews.

In addition to facilitating remote interviews via satellite, the GOP-TV studios and satellite feed will regularly provide behind-the-scenes original raw content for television stations' to utilize.

To request an interview through the GOP-TV studios during the week of July 18-21, please fully fill out this form: <http://goo.gl/forms/7zt2eUttMAwv1cgg13>

Any questions regarding the GOP-TV booking process may be directed to Director of Regional Media Alee Lockman at [gop-tv@gopconvention2016.com](mailto:gop-tv@gopconvention2016.com).

Additional information regarding GOP-TV and the regional media booking process will be distributed in coming weeks.
